Subject Newman Museum insurance

Hi Tom. Sabine informed me recently that Eric Newman is interested in pursuing the possibility of insuring the Newman Museum collection under the Kemper Museum's insurance policy.

I need to figure out how much this would cost, as we would have to take out a separate policy or increase our coverage.

Would it be possible for you to give me a ballpark figure for the replacement value of the collection? That way I can talk to Huntington T. Block and determine the options available.

I look forward to hearing from you at your earliest convenience.

Best,  
Sara
